

SPORTS

Wilcox pitched a good game, but a little slow fielding on his part got him in a bad hole in the first inning. King, the spitball artist, finished the last two innings.

TECH WINS FROM LAKE FOREST

Lake Forest was defeated April 28, by a score of 7 to 6, on Ogden Field. The game was the "Tech's" all the way until the ninth, when a succession of errors and two hits allowed Lake Forest to come from behind with a score of 5 to 1 against her, and joss the "Tech" 6 to 5. The "Tech" then came to bat. "Sully" got on an error, and scored on Alender's double. After two were down, Paskill broke up the game when he soaked one to deep center, scoring the winning run and ending the most exciting inning ever staged on Ogden Field. Alender with three hits, King with two hits, and Hook with a home run and a single, were the hitting stars. Conway got on base four times without a hit, but the hitting stars couldn't score him.

King pitched a dandy game all the way, and held the visitors to seven hits. For a young pitcher he has been rounding into a real slab artist magnificently.
