THE ARMOUR ALUMNI ASSOCIATION.

The Armour Alumni Association held their midyear banquet at the City Club, January 17th.

Allen Benedict was toastmaster. He led the singing. into which he put some real spirit.

Mr. W. T. Dean read a paper, prepared by Mr. Franklin de Beers, on "The assistance alumni may give and should give their Alma Mater."

Dr. Frank W. Gunsaulus spoke on the brilliant future of our Alma Mater.

The Alumni Association is anxious to hear from our alumni, concerning their activities since leaving the Institute. Such an organization helps to instill the spirit of cooperation between students and alumni. May it continue to thrive and be a credit to the Institute.
