

CONSTANTINE PASSIALIS

Born March 25, 1893—Tripolitza of Greece.

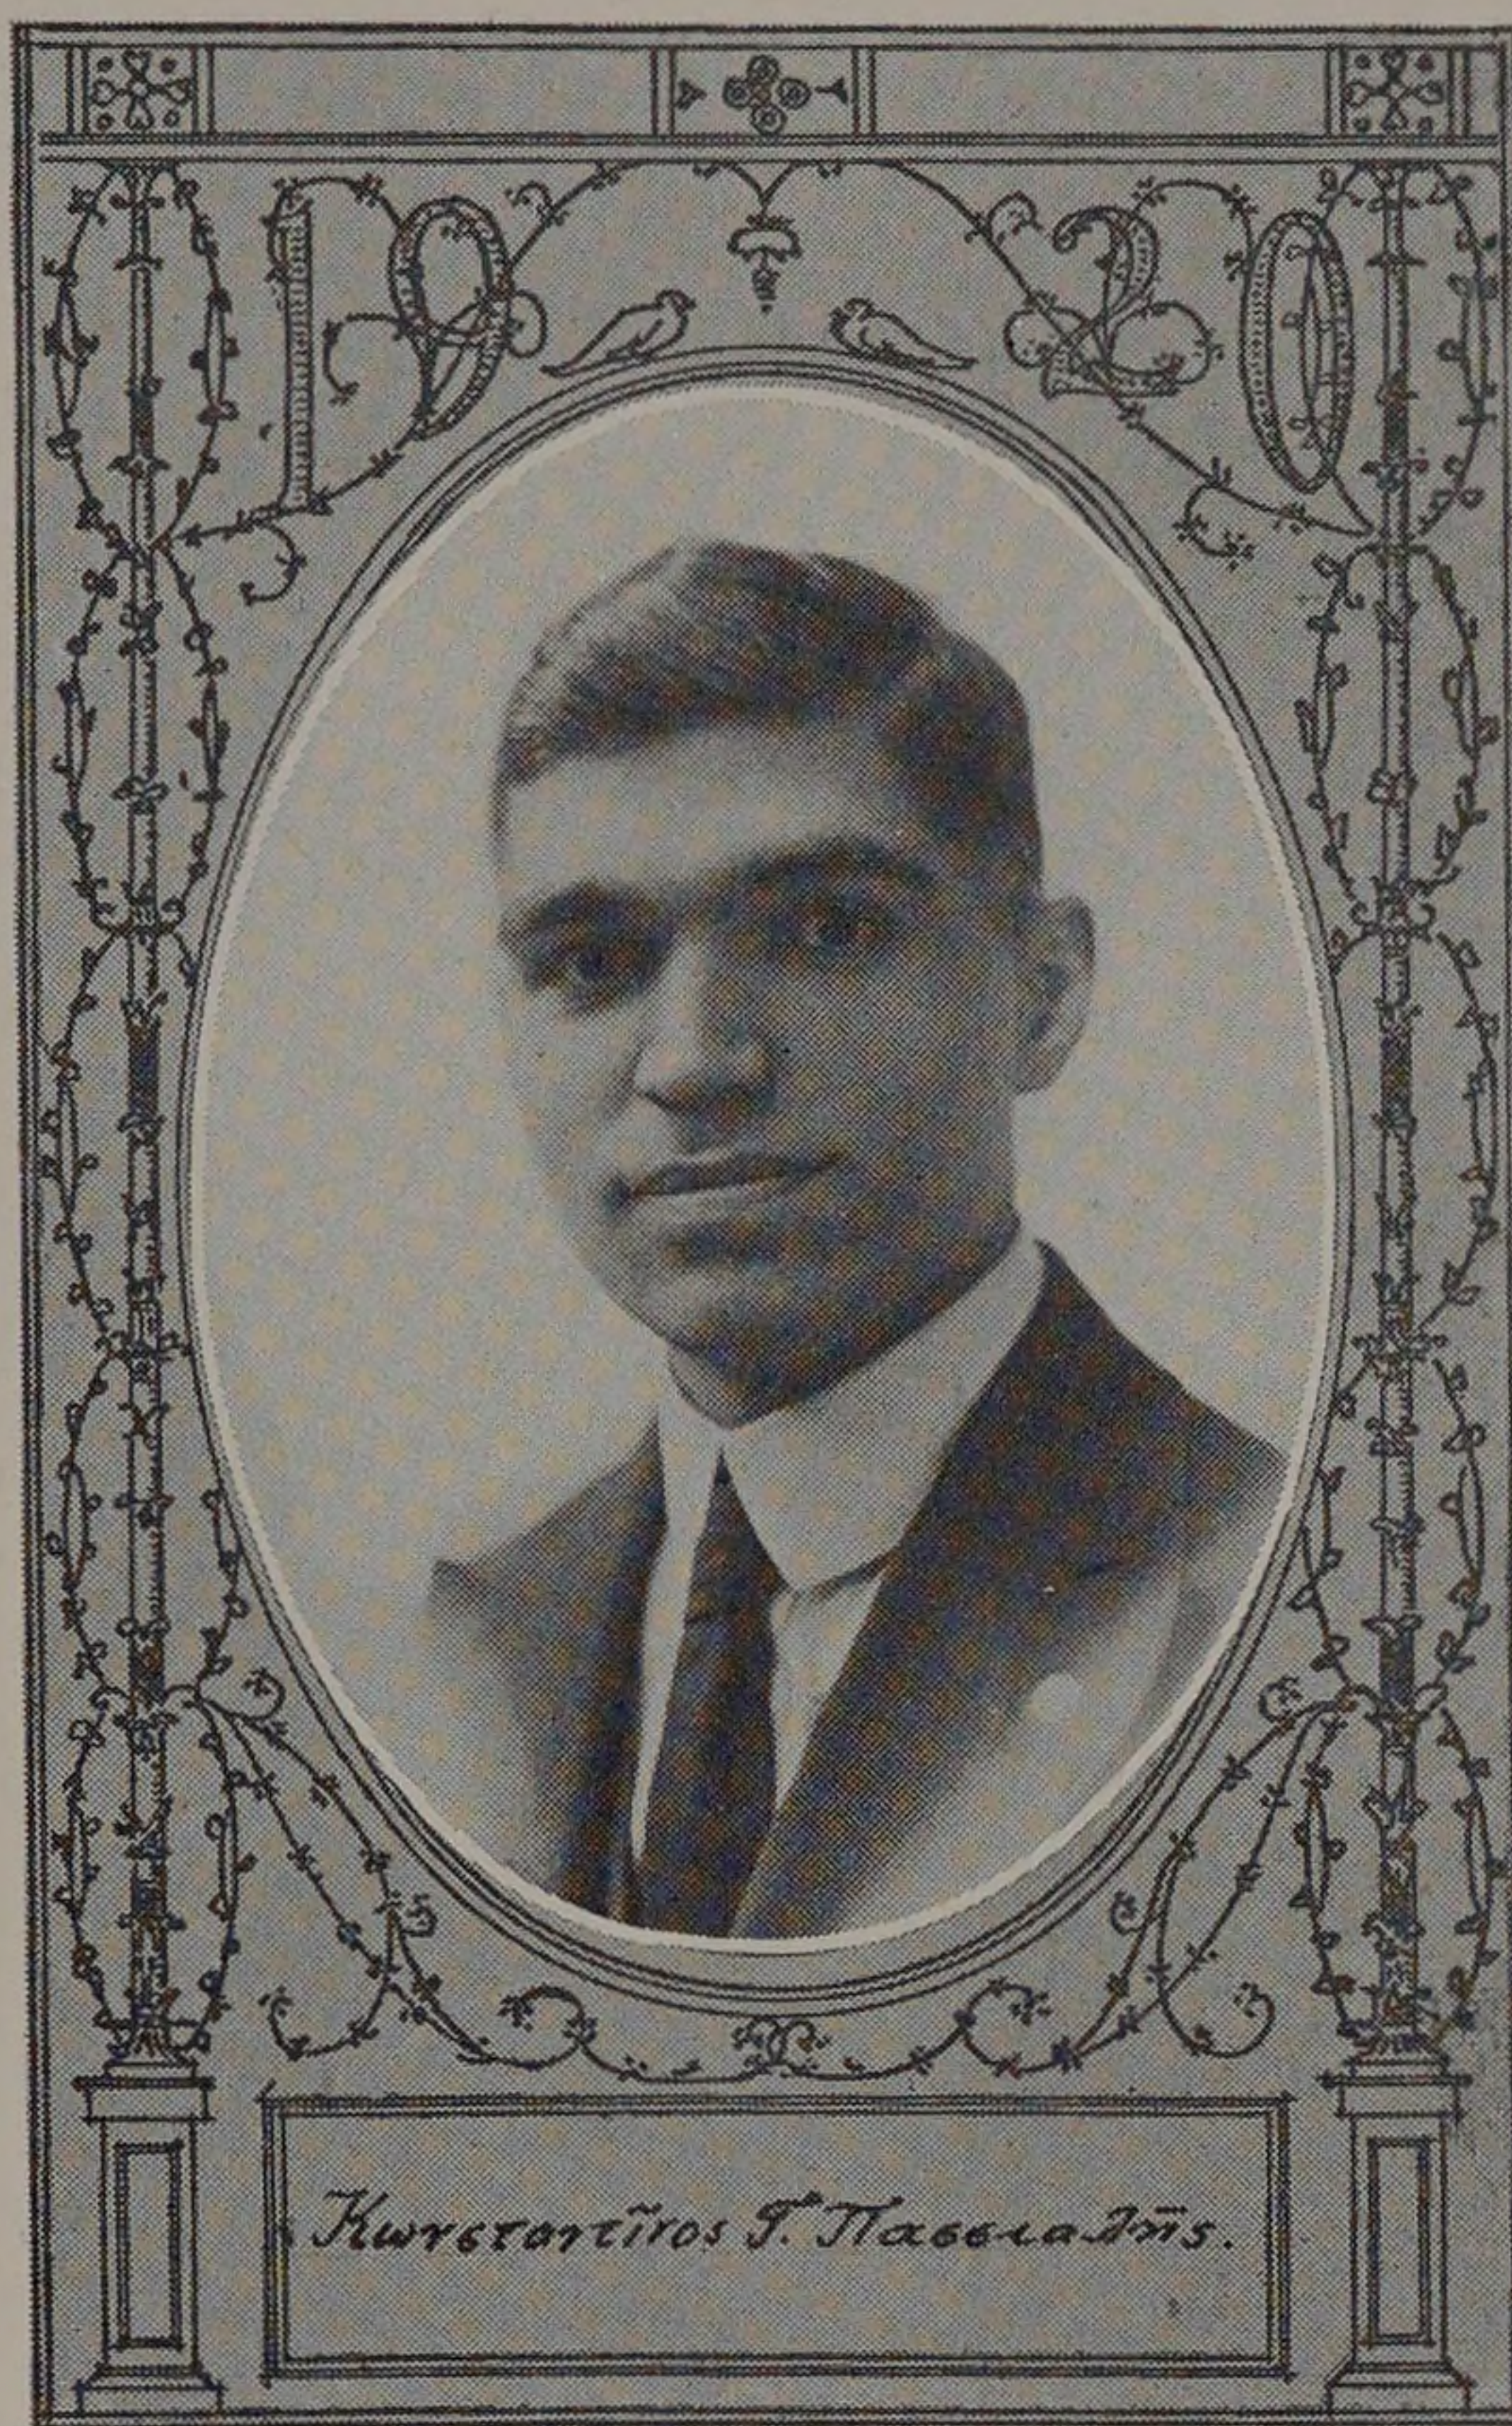

American School of Correspondence—Chicago.

Civil Engineering.

Secondary Stresses in Bridges.

Member Y. M. C. A., W. S. E.

“PASS” is our third Greek to graduate from Armour Institute. Watch the number grow.

AARON STEIN

Born February 1, 1890. Russia.

Crane Tech. High School.

Civil Engineering.

Secondary Stresses in Bridges.

Member Y. M. C. A. Western Society of Engineers.

Judging from the great aptitude that Aaron has shown to his studies, he is a man that the class of '20 will be proud of in after years.
