

HIX NUTT HILLIKER CROWE GRUBE

Armour Freshman Prom

One of the big social hits of the season was the Armour Freshman Prom, which was given at the Auditorium Hotel, the ninth of April. The Freshmen tried to be a little more original in the manner in which they ran their dance, and had two main features. They not only had dancing until one o'clock, but they had music by Paul Biese's Novelty Orchestra. Paul Biese, who is considered the best saxophone player in the city of Chicago, was the big hit of the evening. Much credit must be given to our president, Bob Bradley, for securing the music for us, which was, no doubt, the cause of the success of the dance. The following men of the Freshman class are on the social committee: Chairman, Fred W. Hilliker, John Crowe, Merle Nutt, Lester Grube, Maurice Hix, Clarence Nicklin.
