ABRAHAM APPELBAUM

Born April 20, 1899, Chicago, Ill.  
Crane Technical High School.

"Secondary Stresses in a 112 foot Rail-  
road Truss."

P. A. P.; Western Society of Engi-  
neers.

Everyone knows him as "Apples,"  
but these came from Crane. He can  
figure stresses better than any other  
of the civils and is always on the job.  
Sometimes he does a little more than  
his own share of the job.
