

HELEN L. FASSETT.

Findlay High School.

"Design of a Great Non-Orthodox
Synagogue."

Class Secretary of A. A. S.

Behold our only coed. We are sorry
to lose her but we realize that what is
our loss is somebody else's gain. In
leaving we wish to extend to Miss
Fassett our heartiest wishes for her
great success in all her undertakings.

IRVING JERRY LOEBL.

Born September 2, 1899; Chicago, Ill.
Wendell Phillips High School.

"Design of a Great Non-Orthodox
Synagogue."

Ohr; Scarab; A. A. S.; Social Commit-
tee Freshman Class, '17; Senior Pic-
ture Committee.

Jerry is the jester among the Senior
"archs." Besides the time he wasted
in the Senior drafting room of the Art
Institute, he has spent considerable
amusing listeners. Rumor has whis-
pered that he is the social lion of the
architects, and we fear that after
graduation day he may drop architec-
ture.
