### CIRCUS DAY.

This year Circus Day was eagerly looked forward to and with much anticipation. Well, our greatest hopes were realized. All records were broken. True, the Cycle did not show up but there was a reason. However, there were countless other things to compensate. There was the big top, the greased pig, pop corn, peanuts and hot dogs, too. Oh yes; many a disgruntled student eeked out his revenge on any of the profs he so desired, and in his own sweet way. Funny, but the profs laughed too. Let me explain, if you were not there. You see, a rack of dolls was put up within throwing range and each doll bore the name of a professor. Then you had three trials for a dime to knock the professor down. Some sport.

Many of the time worn stunts were repeated, but they had improved with age and proved funnier than ever. Some idea of the day's events can be gleaned from the following program:

1. Freshman-Sophomore Sack Rush.
2. An Athletic Pentathlon.
3. Inter-Fraternity Pageant.
4. Inter-Fraternity Relay.
5. Winner of Mustache Contest Awarded Prize.
6. Catching of Greased Pig.
7. Inter-Collegiate Baseball Game.
8. Peanuts, Popcorn and Red-Hots.
9. Many Interesting Side Shows.
10. Scores of Individual Ham-Actors.

The track and field events were in the form of a modified pentathlon in charge of H. E. Hagen. Contestants had to compete in all events, which were five in number and included:

100 yard dash.

Shot put.

220 yard low hurdles.

Running broad jump.

880 yard run.

The winners of the pentathlon were awarded handsome prizes.
