

## A MESSAGE FOR US ALL FROM ABRAHAM LINCOLN

"Let every American, every lover of liberty, every well wisher to his posterity, swear by the blood of the Revolution never to violate in the least particular the laws of the country, and never to tolerate their violation by others. As the patriots of '76 did to support the Constitution and Laws let every American pledge his life, his property and sacred honor. Let every man remember that to violate the law is to trample on the blood of his father, and to tear the charter of his own and his children's liberty.

"Let reverence for the Laws be breathed by every American mother to the lisping babe that prattles on her lap; let it be taught in the schools, in seminaries, and in colleges; let it be written in primers, spelling books and almanacs; let it be preached from the pulpit, proclaimed in the legislative halls and enforced in the courts of justice.

"In short, let it become the political religion of the nation; and let the old and the young, the rich and the poor, the grave and the gay, of all sexes and tongues and colors and conditions, sacrifice unceasingly upon its altars."

### THE SENTIMENTS OF THE STUDENT BODY OF THE ARMOUR INSTITUTE OF TECHNOLOGY.

Gone from our midst  
Is one who was strong;  
In character uplifting,  
With words, deeds, and song.

"Moral engineers,"  
He was wont to say,  
Are the engineers most needed to-day.  
That was his theme,  
And that was his work,  
And that is the end,  
That we dare not shirk.

Underneath his thin earthly veneer,  
Stood out his soul immaculate and clear;  
Ready to serve and to do his best,  
For Him that is highest where his soul is at rest.

So back to your books,  
And back to your quiz,  
And make your life's work,  
Come tangent to his.

—A Sophomore.
