 President Junior A. S. M. E., 1919-20.
 Interclass Basketball, 1918-19.
 Class Secretary, 1918-19.

Smiling Jeff has had a finger or two in every pie at Armour. As business manager of both The Cycle and The Engineer he has given the natives a scintillating demonstration of the intricate methods of high finance. Jeff is just naturally a glutton for work, if it is not of the school variety.

A radiant smile and unselfish good-fellowship have combined to make Jeff's friends at school limited only by the total registration.
