

CLASSES

MARK A. RUMELY

LaPorte, Indiana, December 5, 1895,
Mechanical Engineering.
Sycamore, Illinois, High School, 1914.
A. S. M. E.

Mark is the chap who has the personality with a big P, to say nothing of a beautiful Marcel wave, and last but not least the cutest and best trained little mustache in captivity. How in the world one man could ever absorb the immense quantity of "Thermo" that he devours is beyond all ken. There is a rumor afloat that he sleeps with the book under his pillow. In spite of all of this Mark is one of the best liked men in the class.

PAUL J. RUPPRECHT

Born October 23, 1900, Chicago, Illinois.
Tilden Technical High School.
Mechanical Engineering.
Class Basketball, 1919-20; Class Treasurer, 1922; Treasurer A. S. M. E., 1921-22.

The Treasurer of the Senior class, the Treasurer of the A. S. M. E., Paul Rupprecht is our financier par excellence. Most any time he could be seen with his book and pen in hand, and his cheery greeting, "Have I got you yet?" we shall long remember.

Paul handled a difficult task well, and we hand it to him, in more ways than one. But with that duty done, we find him in the gas lab. most every afternoon. Here he makes the wheels go 'round, and all such intricate things.
