Don is just naturally cut out to be an engineer. He has made a truly remarkable scholastic record and is one of the "chief pushers" in student activities. When there is nothing more interesting to do Wetherbee attends a few classes where he and Jeff Jr. hold long and noisy conferences.

FRED GEORGE WITTENMEIER

Chicago, July 2, 1900.

Mechanical Engineering.

Lane Tech High School '18.

A. S. M. E. 1920-21-22.

Interclass Basketball 20-21-22.

The eminent student of refrigeration engineering. Fred is the staunchest exponent of CO₂ that the refrigeration can boast of. Athletics are Fred's hobby. As a member of the Senior class basketball team he covered himself with glory, and his numerous medals attest his skill as a fancy diver.
