

## THE JUNIOR PROM

MAY FIFTH, NINETEEN TWENTY-TWO

The Junior Prom concluded the social season at the Institute and will go down in college history as one of the finest ever given. The Crystal Ballroom of the Blackstone was selected as the proper setting for such a gorgeous affair and never was more beautiful than on that night. The musicians fairly outdid themselves and played encore after encore.

The Junior Class spared neither time nor effort to make the Nineteen Twenty-two Prom the best of its kind and it was richly rewarded. The social committee worked hard and faithfully and deserves much credit for the success of the Prom.
