GABRIEL SNUBBERS

KEEP YOU
ON
THE SEAT

Of the most prominent manufacturers in the automobile industry **37** use GABRIEL SNUBBERS as standard equipment, **34** others put holes in the frames exclusively for them. Your car undoubtedly, has holes in the frame for SNUBBERS.

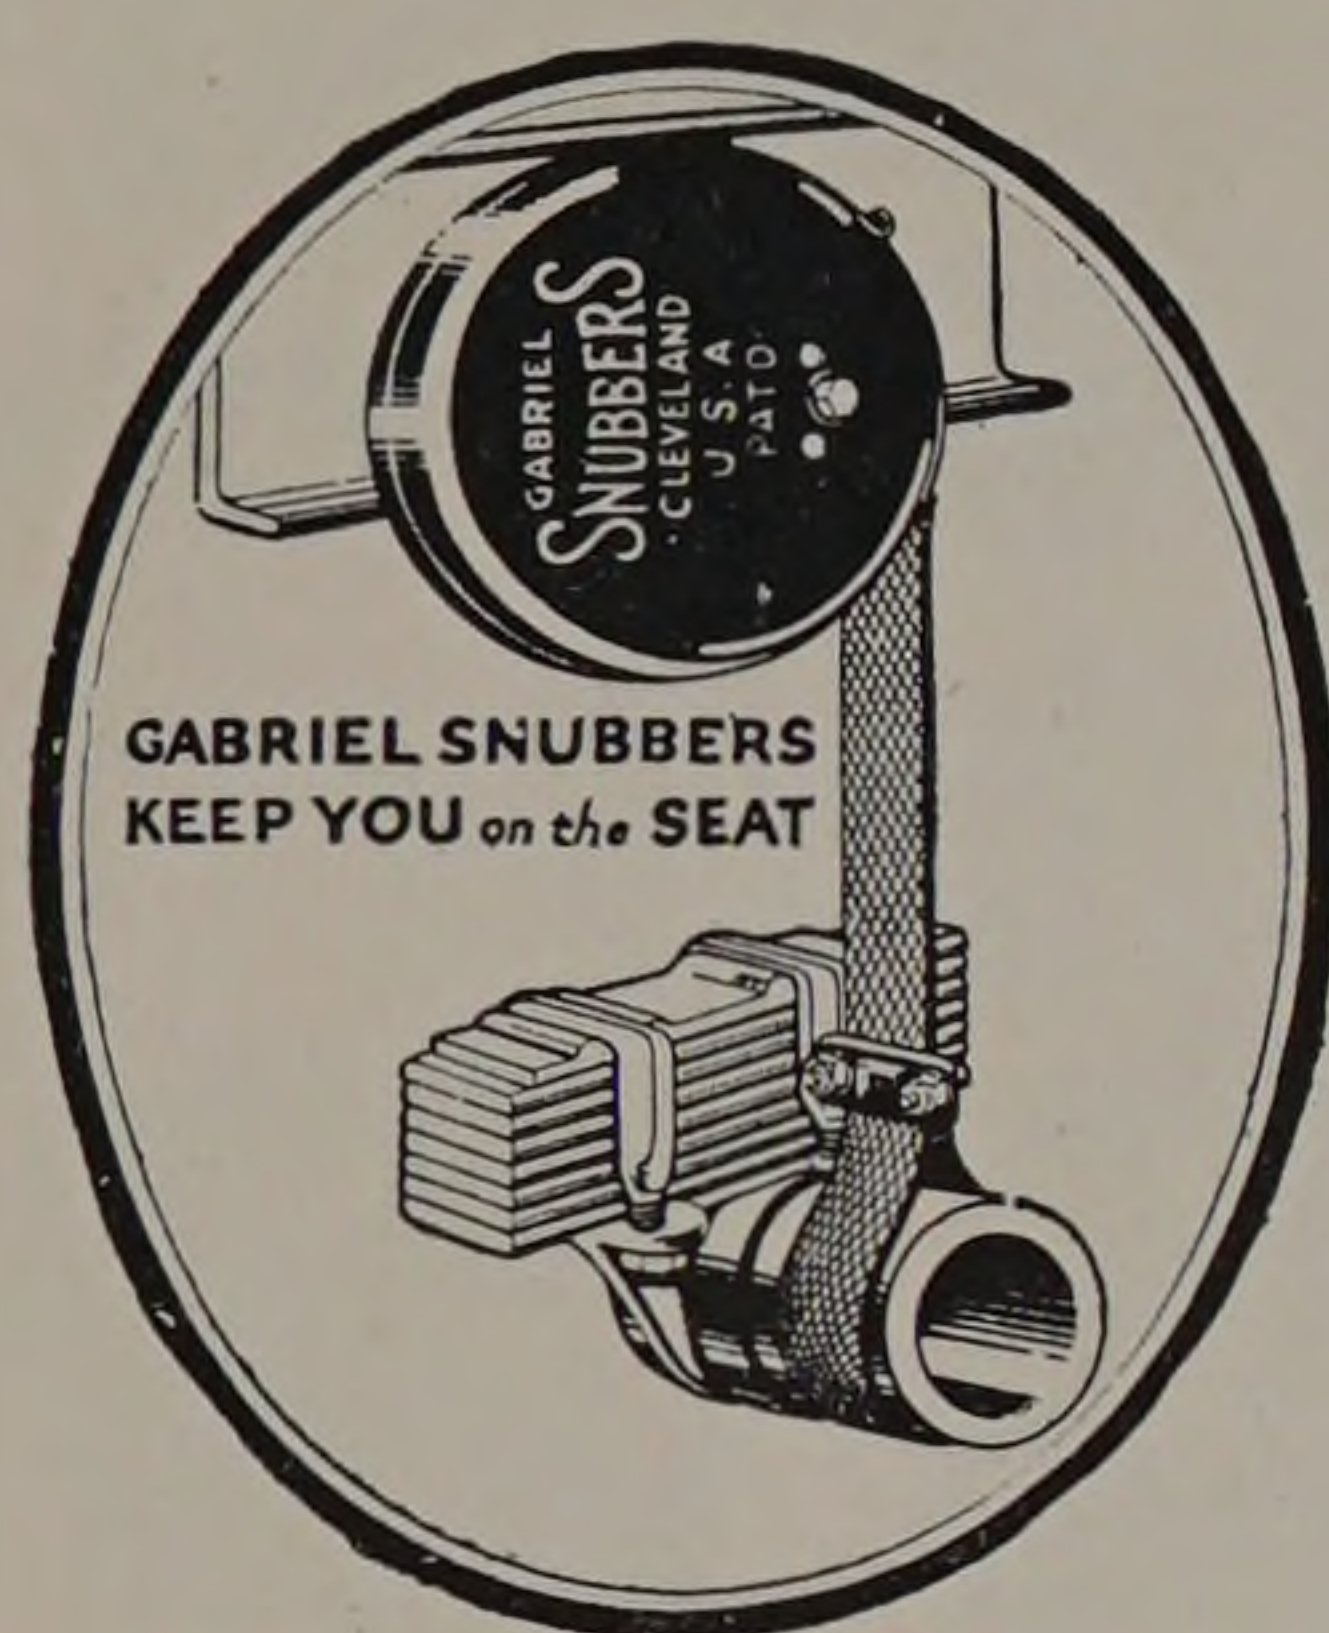

The Gabriel Snubber is the only device embodying the true "snubbing" principle, the application of which is patented. **THERE IS NO OTHER SNUBBER.**
