

THE CYCLE OF 1925

MAY IT BE

To the Seniors, who now pass from our portals, a
Milestone;

To the Juniors, who have strived and brought it forth, a
Pride;

To the Sophomores, who have reached the mid-point of their career, a
Pilot;

To the Freshmen, who are yet neophytes in their work, a
Revelation;

To our Alma Mater, from whose bosom we spring, a
Tribute.
