

In Memoriam

Harry Clay Coffeen

It was with the deepest regret that the faculty and alumni of the Armour Institute of Technology heard of the passing of Harry Clay Coffeen. For nearly ten years he was associated with the Armour Institute and for those same ten years he was ever a man who was loved by all. He was a large man in every sense of the word, making our troubles his troubles, our problems his problems, and our work his work. Yet never once did we find him coming to us with his sorrows, many that he had. He was a man whose life was rounded and so moulded that everyone admired and loved his every move. So now these same who so loved him pause and breath, "There was a man!"
