

INTER-HONORARY FRATERNITY DANCE

E. STANLEY LARSON.....Chairman

The Annual Inter-Honorary Fraternity Dance was held at the Ambassador Hotel on Friday evening, April twenty-fourth. It was the same scene of the year before, only the actors were changed. Here and there one could espy one of the old actors who are now toiling their way in this world. How changed they look and yet with the same vigor they attack the task before them and make it more than a success. As we glance around the room we see faces that are not unfamiliar to all the men of the college. If one were to stop and think, it would be natural to think that such a group of intellectual men, the cream of them all, would be at a total loss at such an affair.

No, no, far from it! These men know when to play and how just as well as they know when to school and how.

As we glance at the program we are confronted with a new name, *Pi Tau Sigma*. A little inquiry reveals that this is a new honorary for the Mechanicals. Good Stuff!

Looking further at the program we see that there is now not a department which is not represented. The Committee on Arrangements embodies such men as "Gene" Odenwaldt for *Tau Beta Pi*, "Reggie" Regensberger for *Pi Tau Sigma*, "Ted" Bockman for *Phi Lambda Upsilon*, "Stan" Larson for *Eta Kappa Nu*, George Arachovitis for *Chi Epsilon*, "Joie" McLaren for *Salamander*, "Willi" McCauley for *Scarab*, and "Casey" Hubbell for *Sphinx*.

Do you wonder that we had a good time?
