Things began to move for the Armour Tech Glee Club when a little over two years ago the Inter-Collegiate Glee Club Association was organized and the Club became a member. Since that time three Inter-Collegiate Contests have been held. At these contests fourteen Midwest colleges have participated and at each one of these the Armour Tech Glee Club set high standards for the winners to overcome. At the present rate of progress the name of the Club will soon ring from coast to coast.

One Hundred Thirty-two
