ROBERT H. CHIDESTER  
MAURUS T. GOETZ

#### *French Horn*

J. HOWARD BOWMAN

During the past year the Orchestra has accompanied the Glee Club on most of its concerts. In this manner better programs could be furnished and also the variety desired by the audience. Not only did the orchestra play at these times but also at several assemblies. The usual selections were of a classical nature but upon one occasion selections from a popular musical comedy were rendered and nearly "brought down the house."
