BARNETT HERZON

MAURICE GOLDSTEIN

CARL SHPARAGO

Umen takes this occasion to formally announce its recognition as a Social Fraternity at the Armour Institute of Technology.

Its history dates back to the spring of 1922, when a group of students requested and obtained permission from the authorities of the Institute to function as a club. Its organization has firmly entrenched itself and has taken an active part in the college life and succeeded in winning recognition as a fraternity in October, 1924.
