HAROLD R. PHALEN.....*Coach*

With only two meets in the Fall of 1924, the team could not be very well judged. Meets had been scheduled with Lake Forest and several other colleges but had to be called off for one reason or another.

In the first Cross-Country Meet with Northwestern College of Naperville, Armour lost 37-68, but nevertheless Coach Phalen was well satisfied with the showing shown by the team.

The second meet was the second Tribune Cross-Country Meet held at Washington Park. Two of the Armour team, R. T. Hamlett and R. W. Ball, received bronze medals for being included in the first thirty men to finish. They finished twenty-seventh and twenty-eighth, respectively.
