E. WALLACE MCGILLIVRAY.....*Coach*  
 ROBERT N. BROWN.....*Captain*  
 ANDREW K. MILLER.....*Manager*

The Swimming Team, though small this year, has been practicing earnestly at the University of Chicago in the Pool at Bartlett Gym. The team has been practicing under the direction of Coach E. Wallace McGillivray.

The call for candidates was issued in October and at that time the election of captain was held. Edward Marhoefer '26 was re-elected Captain for the season, but due to his numerous activities he was forced to resign and a new election was held. Robert Brown '27 was elected.

Since the last issue of the "Cycle" the team engaged twice with the Y. M. C. A. College and once with each Lake Forest and Loyola University. This year meets have been arranged with Y. M. C. A. College, Lake Forest, Loyola, Kent College, and the American College of Physical Education.
