

## HUMOR

~The Real Test~

## BACKFIRE BY E. X. HAUST

### IT SHOULDN'T BE DONE

Of all things a girl should not kick when a fellow lays his heart at her feet.

### FITTING AND PROPER

He: "Shall we all squeeze in the front seat?"

She: "Paul, can't you at least wait until we get home?"

### HE KNEW

Teacher: "If you are kind and polite to your playmates, what will be the result?"

Mere Child: "They'll think that they can lick me."

### EFFICIENCY

"Now, I've got that down Pat," said Mrs. Flaherty as she administered a dose of castor oil to her son.

### OOOOOOH.

Henry: "There's only one thing the matter with you."

Ford: "Why, I've always thought I was alright."

Henry: "There you have it."

History Teacher: "Can you tell me what made the Tower of Pisa lean?"

Eddie: "I'm not sure, but I think it was the Russian famine."
