

## HUMOR

THE CASEY AND CURLEY CREATION

### YE COLLEGE SHEIKS

There are colleges there and colleges here,  
Universities far and universities near,  
But the best of all, it did appear,  
I found in the latter part of last year.

From Illinois, the first was Red,  
Then Hal from Beloit, I liked instead.  
Hank from Nebraska I thought to wed  
Until to N. U. along came Ted.

Les from Chicago was a keen effect,  
Then Pen from Missouri, I did select,  
But the best of all I found, by heck!  
Were the engineers of Armour Tech.
