

CLUBS

Armour Tech Musical Clubs

Directors

DR. DANIEL PROTHEROE.....*Glee Club*
 PROFESSOR HAROLD R. PHALEN.....*Orchestra*

The Musical Clubs started five years ago as a co-ordinated group and now are the most popular clubs at Armour Institute of Technology. This successful achievement is due to the Armour Tech Athletic Association, Professor Phalen, and to Mr. Douglas of the class of '24. The Association financed the club, Professor Phalen directed the organization, and Mr. Douglas organized the band. That is what has put the life into the clubs; for, surely, every student will agree that the Orchestra and the Band could hardly be bettered.

This past year has seen a change in pace. Dr. Protheroe has taken over the management of the Glee Club and also, all the Clubs have shown an increase in membership. Although the Glee Club gave no concerts during the first semester, the three Clubs, together, are diligently preparing for the Home concert, and we assure an excellent evening for those who attend.

Some of the other concerts presented were:

Collegiate Club,
 Given by the Orchestra.

Armour Alumni Banquet,
 Given by the Band.

Western Society of Engineers,
 Given by the Orchestra.

Dr. Protheroe

Prof. Phalen
