

ATHLETICS

EISENBERG '27—Forward.

“Ju” played his first year with the team and got into several of the important games. His fast floor work and his eye for the basket will give him a big advantage in the choice of a regular berth next year.

CRAMER '29—Guard.

Although he did not get a letter, Cramer played a fine game as sub back guard. Much is expected of him next year.

G. MORGAN '27—Guard.

“Si” is the nickname of our little guard. He is a good defensive player, one of the kind that is constantly sneaking down the floor and looping in a basket. Si had a great year, because he gave everything he had during the entire game. Si was a fine dribbler, and the main cog in taking the ball down the floor. He will be back next year and should mean a lot to the team.
