

KOVARICK '25—Manager.

Desmond '25 received a letter and Larkin '25, Harrower '27, and Norman '28 received minor letters for good work on the squad.

HELLGREN '28—First base.

The redhead came to Tech. with quite a reputation from prep school and he certainly has lived up to it. A born baseball player he took charge of the sack in a splendid manner. He also batted the ball in a pleasing (to us) manner.

McLAREN '26—Third base.

Joie is an all-around athlete of ability. His playing of the hot corner was consistent, very few hit and run plays being successfully pulled with Joie on deck. His speed helped him break into the scoring column many times.
