Tennis 1925

Coach—Prof. Charles A. Tibbals

Captain—Clive A. Bishop

Manager—Howard E. Norton

Tennis at Armour during the 1925 season had a very successful year. The tennis team was the most consistent winner and the best from the standpoint of the victories turned in that Armour had in all sports. They ended their season without being beaten which is an accomplishment when a list of their opponents is known. To the tennis team also goes the credit for being the most courteous to opponents and the best sports, not a single complaint was ever heard of their conduct in any match. It was rather a disappointment to the team the way the students supported them and it is hoped that a little interest will be shown this season. Coach Tibbals has compiled a ranking of the men in the following order:

Singles	Doubles
1 Jennings, '28.	1 Peacock.
2 Bishop, '25, Capt.	Jennings.
3 Peacock, '27.	2 Taylor or Hammersley
4 Hammersley, '25.	Bishop Greenleaf
5-6 Taylor, '25.	
Greenleaf, '25.
