

ATHLETICS

Cross Country, 1925

Coach—Prof. H. R. Phalen

Captain—Frederick D. Payne

Manager—Louis P. Allaire

As usual it was very difficult to stage many Cross Country meets this year. Most of the colleges about this part of the country devote their falls to football. The annual pre-season practice meet was held with LaGrange there in October. Captain Payne won this race but LaGrange won the meet. In cross country it is customary for the first man in to count 1 point, the second 2 points, etc. Thus the lowest scoring team wins.

On November 1 Armour went to Lake Forest to attend a Triangular meet with Lake Forest and Northwestern College. The score was Northwestern 30, Lake Forest 42, and Armour 50.

On November 19 Armour won a close meet from Y. M. C. A. College by a score of 27 to 28. Although that was the last school meet of the year, Robinson and Pittelkow entered the Tribune meet and both won medals for running.

The squad will lose Robinson, McHenry and Coffey by graduation, but expects to put out a strong team in 1926. Payne was re-elected Captain for the coming year.

The team consisted of Captain Payne, Deiwert, Robinson, McHenry, Pittelkow, Long, Samuelson, Schuler, Herzon, Coffey and Grochowski.
