

ATHLETICS

Swimming 1925-1926

Coach—E. Wallace McGillivray

Captain—Robert N. Brown

Manager—Reginald Schuler

The Swimming team again journeyed to the University of Chicago pool at Bartlett Gym. for their meets and practice periods. They were able to get Coach McGillivray of the U. to give them his help so the trips were not entirely unsuccessful.

Altho most of the meets were lost our team hung up some close scores in all but the Notre Dame meets.

There was quite a turnout of material this year including several Freshmen so better things are to be expected of the team next year.

The team this year consisted of :

Crawl	Breast Stroke	Back Stroke	Diving
L. Marhoefer	R. Schuler	E. Armit	R. N. Brown
M. Lamm	F. Strauch	R. Orgood	R. Stemple
R. Brown, Capt.	Abrahamson		L. P. Brown
