Wrestling and Boxing 1925 - 1926

Coach—J. Smith

Wrestling Captain—Earl McHenry

Boxing Captain—Arthur Millot

Manager—Frederick D. Payne

The Wrestling and Boxing teams did not enjoy as successful a year as some of the other sports at Armour, but in all the meets a great deal of the old Armour fight was present. Coach Smith was again back as an instructor in both sports. At the start of the season an Interclass meet was held in our gym in which several Freshmen were uncovered.

On February 5, we entertained Cornell College of Iowa in a wrestling meet, which we lost by the score of 29-0. Cornell had a very good team, which included one Olympic man and one National champion.

We were able to get one practice meet with the University of Chicago at the start of the season in which our men showed up very well. No score was given in this meet, which was only held for a workout.

Armour met Y College twice this year, one meet being held at each school. Both were lost, the first meet at Y being 20-8, and the next at Armour being lost 17-0. In the second meet we were without the services of Captain McHenry, who had broken a bone in his foot.

The season is not yet finished at the time this article goes to press, so complete results cannot be given.

It is hoped that next year a bigger turnout of men will be obtained as the squads will lose Captain McHenry, Geimer, Lickton, and Nemoede by graduation.
