

Armour's **STAR HAM**

—or dinners, or after theatre snacks, or tea-time tid-bits! Anywhere, any time, you wish to serve a delightful bite of something different—you can depend on Armour's Star Ham. It is young, tender, flavory, with an unusually mild cure. Buy it by the slice, half a ham or whole ham.

And there are "Sixty Ways to Serve" it! Just ask for a complimentary copy of the handy Armour ham cook book. A postal card, with your dealer's name, will bring it.
