

*A test of a window under actual conditions. A study of the methods and opportunities of the Fire Protection Engineer.*

## FIRE PROTECTION ENGINEERING SOCIETY

### OFFICERS

CHARLES D. LAMB.....	<i>President</i>
JOHN W. KRAMER.....	<i>Secretary</i>
FRED D. GEDELMAN.....	<i>Treasurer</i>
PROF. J. B. FINNEGAN.....	<i>Faculty Adviser</i>

The Fire Protection Engineering Society has for its primary object, the furthering of interest in the F.P.E. students by making them acquainted with prominent men now at work in the field.

The speakers which the society have had the privilege of hearing at the regular bi-monthly meetings during the last semester, are the following: Mr. Walter Kreiger, with the Insurance Company of North America; Mr. L. O. Castle, '27 of The Kemper Insurance Agency; Mr. Donald M. Wood, of The D. M. Wood Insurance Agency; Mr. W. R. Townly, Instructor at Northwestern University School of Commerce; Mr. H. L. O'Brian, of Illinois District Telegraph Company; Mr. David W. Shand, of Marsh and McLennan.
