SWIMMING—1929-30

The swimming team lead by Captain Fred Strauch and Coach McGillivray, closed a successful season with five victories and three defeats.

The first meet of the season with the South Chicago Y. M. C. A., state champions, ended in defeat for Armour. Although the team was rather loosely organized in this meet, South Chicago won by a score of only 30 to 23.

Following the South Chicago meet the Armour swimmers met and defeated Englewood Y. M. C. A., Hyde Park Y. M. C. A., Chicago Normal twice, and Crane College.

The two meets with Chicago Normal were easy victories. The first meet on February 21st was won 47-13, and the second a week later, was 56-8. In the second meet the Armour boys took first and second place in every event.

On March 12, "Tech" defeated the highly "touted" Crane College team, 39-36. March 15 saw the Tech swimmers go down to defeat before a powerful team from Culver Military Academy. In this meet Trognitz took the only first place by winning the 100-yard breast stroke.

In the final meet of the season in March, Armour was defeated by Crane College.

Both Captain Strauch and Trognitz are graduating this year. Strauch is a fancy diver of no mean ability, while Trognitz's specialty is the breast stroke event.

The success of the team is remarkable when you consider that they must travel to the U. of C. tank to practice.

Carlstrom, Knox, Wesfon, Cavanagh, Byanskas, La Force, and Davidson will form the nucleus for a strong team next year.

CAPT. STRAUCH
