INTER-CLASS ATHLETICS

The class of '31 dominated inter-class athletics during the past year, winning everything but basketball. While sophomores, they started the string of victories by winning the annual Circus Day Inter-class Relay. Henry Fox, Jens, Miran and Kutteruf formed the winning team.

In order to make the baseball play-offs more interesting, Simpson and Stehno decided not to pitch in any of the games. In the first bracket the Sophomores defeated the Freshmen 7-0, while the Seniors lost to the Juniors three to nothing. It took two games to decide the class championships. The Juniors defeated the Sophomores in both games, 4-3 and 4-0.

The Freshmen proved to be the dark horse in the basketball play-offs when they crashed through to win from the Juniors in the finals, 26-15. The Freshmen defeated the Sophomores 8-6 in their first game and the Juniors defeated the Seniors by one point in an overtime thriller. The outstanding star of the basketball tournament was Gustafson, freshman center.

The Juniors polished off the season by winning the annual inter-class track meet at Bartlett Gym. The final results were not determined until the last event was run off. Don Paul won the shot put, as usual, but was beat out in the high jump by Corpstein, a freshman. The Juniors took four third places, two seconds and two firsts for a total of 20 points. The Seniors were second with 18 points, and the Freshmen third with 16. The Sophomores failed to score a point.
