ARMOUR ALUMNI ASSOCIATION

The Alumni Association of Armour Institute of Technology has had a very successful year. Hundreds of names have been added to the list of alumni. Chapters of twenty or thirty alumni have been organized and installed respectively in New York, Cincinnati, Milwaukee, and St. Louis. The active memberships now number about 3,400.

Besides greatly increasing the membership by the addition of "lost sheep," some other outstanding events took place.

The twenty-fifth reunion of the class of 1907 was held last June. Fred Heuchling's leadership induced about thirty of the class to join in the happy meeting. There were three days crammed full of activities that recalled the happy carefree days of long ago. Old comradeships were renewed, new toasts were drunk, and old ties of friendships were more securely cemented. The reunion culminated in a picnic at the summer home of A. L. Eustice.

In October the Association held its largest Alumni Banquet, in fact, it was one of the largest college banquets ever held in the west. There were twenty-one hundred fifty persons present. This included the Trustees, Faculty, Undergraduates, and about thirteen hundred Alumni. The affair was held at the Illinois Naval Reserve Armory. The hall was beautifully decorated
