Roy Ekroth

Theodore H. Irion  
Thomas D. Lockett  
Leroy F. Skubic  
Charles B. Sommer, Jr.  
Robert W. Tague

George W. Terp, Jr.

Scarab secures through association the advantages of a refined culture; it stimulates interest in architecture and the allied arts and promotes friendly competition among the students and schools of architecture, and creates a lasting spirit of fellowship and cooperation within the fraternity.

Election to membership is based on ability, scholarship and character. It has always kept its membership comparatively small.
