

The mile run was won by Armour via Hanson, Fleissner, and Callen. Oberbeck and Rosen showed the visiting teams how to win the high and low hurdles. Sademan, Pattison, and Fleig placed in that order in the 880 yard run and in the next event, the high jump, Nelson, Kulpak, and Bejeck brought the Armour colors to victory. Frateschi and Roberts threw the sixteen pound ball farther than the opponents. Then Roberts repeated the good work assisted by Manly when they took first and second place in the discus throw. In the last event, the javelin throw, the Cordes brothers with Ray Pflum's assistance won a second, a third, and a fourth, respectively.

This triangular meet was the last meet of a very successful season for Armour.

Captain-elect Nelson was the season's leading scorer with Roberts running a close second and Capt. Sademan a close third.

The cooperation of the tracksters with Coach Alonzo A. Stagg, Jr., brought the Armour trackmen to the end of one of the most successful seasons in her history. Coach Stagg has given to Armour one thing she will never forget and will always keep; the experience, advice, and grit of a man who knows what he is doing and knows when to do it.

ROBERT JONES

Jones's fine work and excellent co-operation in the various meets did much to put Armour near the top of the Middle West Conference list. His most exceptional work was in the one and two mile events. Although he did not score as many points as other members of the team he was always right there fighting hard.

JOHN ROBERTS

Johnny Roberts put in his second fine year as Armour's leading all around star. This year, however, he was handicapped by an appendicitis attack but he was still a high scorer. He possesses more natural track ability than any one else on the team.
