Beta Chapter of Illinois was chartered May 22, 1906. It was the fourteenth chapter of a roll that now includes sixty-one chapters spread all over the United States in the engineering colleges. There are nine Alumni Chapters. The roll numbers approximately 18,000.

Students are elected to Tau Beta Pi from the upper one-eighth of the Junior class in the spring; and in the fall, seniors in the upper quarter are eligible, together with three juniors from the upper one-eighth of their class. Honorary memberships have been conferred on prominent engineers and graduates.
