After losing indoor to Chicago, Loyola, and North Central, it was hoped that the Techawk track squad could redeem itself in the 1934 outdoor season. Though it did do better, it still only accounted for two wins out of six scheduled meets. In spite of this poor team record, there were several very capable men. Captain Nelson concluded four years of competition in which he amassed 528.8 points in 43 meets. Frateschi and Cordes in their respective shot put and javelin specialties never failed to get a first during the whole outdoor season. Johnny Roberts also was a consistent and versatile point-gainer.

### ELMHURST COLLEGE VERSUS ARMOUR

A victory over Elmhurst, 71-36, on April 7, at Stagg Field, opened Armour's outdoor track season. Roberts took the spotlight by breaking the Techawk 100-yard high hurdle record in 14 flat. Neal ran the 440 in 52.4, and Nelson won the 100-yard lows in 11.3. In the high jump, pole vault, and shot put, Armour took all points, firsts going to Bejcek, Concolino, and Frateschi, with a heave of 43 feet 5½ inches.

The College trackmen turned the tables on May 12 by taking the return engagement at Elmhurst, 68 1/3-59 2/3. Kirkpatrick took the 440-yard dash, and Nelson leaped the 220-low hurdles in 26.1. Cordes won the javelin, and Hevrdejs, the pole vault, to close the season.
