In the first meet of the indoor season against South Side Junior College on February 7, Armour's track team turned in a 54-50 victory. It was a hard-fought affair in which both teams put up a good fight, so much so that the meet was not decided until the last event had been concluded. This last event, taken by Armour, came up with the score 50-49 in favor of South Side.

Neuert started out for Tech by stepping into the lead, but this was lost by the second man, Concolino, after he had managed to retain it throughout most of his lap. Neal took over the baton and from a ten-yard disadvantage worked his way up and again placed Armour in the lead, this time for the final lap. This lap turned out to be a real thriller, McDonald and the South Side man running almost a dead heat, with the Armour man just managing to keep ahead and finally turning in a victory by an infinitesimal of the fourth order.

In winning the meet, Armour gathered in seven firsts to South Side's five, along with five seconds and four third places. Neal led the attack for Tech with firsts in the 440-yard run
