With a team containing four veterans of the successful squad of 1934, prospects for the 1935 season looked good. The predictions were fulfilled and Coach Bibb's team captained by Larry Davidson, went through the stiff schedule of eleven matches prepared by Manager Zibble, winning seven and suffering only three losses and one tie. Two of the losses were with Big Ten schools.

After a short and wet period of training, the season opened with a 27-0 loss to Northwestern on April 20 at Kildeer. The second of the scheduled matches was with South Side Junior College on April 26. Armour won this match with a 12-6 score. On April 27 Armour Engineers played the University of Chicago at Olympia Fields. The opposition proved too much for the Engineers, the result being a 14-4 defeat.

Packing up their clubs, the Armour team journeyed to Beloit, Wisconsin, to meet Beloit College on Saturday, May 4. The team, led by Captain L. Davidson, scored a 12-0 victory over their opponents. For their fifth match the Engineers traveled to Terre Haute, Indiana, to engage the Indiana State Teachers College on May 11. The match ended in a 9-9 tied score, the only tied score of the season.

On May 14, a cold, windy and wet day, the Armour team met the alumni team, composed of former Armour captains, in the Annual Armour-Alumni match. The Armour team suffered a 12-6 defeat at the hands of the Alumni. Armour and Wright Junior College met
