

by firsts in the shot put, high jump, and discus throw. The 220-yard dash provided one of the events of the day. Moore of La Grange started in the pole position and was out in front rounding the curve. However, on the home stretch Dunbar put on the steam to pull up and the last twenty yards were run in a dead heat. The first event was the mile run and was also the scene of the first Armour victory as Captain Faust and his teammate Deuter tied for first. In the quarter-mile Ryan put on a drive coming into the tape which carried him to first place honors over Sincalchi, of Wilson. In the 100-yard dash Moore of La Grange was first, Dunbar was second, and Bingham was third and these three men finished in so close to a dead heat that the judges had some little trouble in determining just who came in where. Rothenberg turned on the steam in the low hurdles to defeat his teammate Dunbar and then went on to take another first in the high hurdles. Finnegan had no trouble at all in winning the half-mile, and Deuter took a second in the same event after he put on a sprint to pass Cavallens of Wilson in the last few yards. The two mile run did not give the Tec-

hawks much trouble since neither Wilson nor La Grange had men entered in it. Captain Faust took first place in this event, followed by Bodnar, Ewing, and Opila in that order. Vandekieft's heave of thirty-nine and one-half feet in the shot put gave him an undisputed first place, and Simeon took a third in the same event. The high jump was the same thing with Vandekieft taking first again and Simeon taking another third. Armour took the first three places in the pole vault as Dixon, Braun, and Parker cleared the bar in that order. On his last toss Stehman threw the javelin close to 140 feet for an easy first place. In the discus throw Vandekieft wound up and threw 113 feet. Heike and Stehman followed his example and secured second and fourth places respectively. Dunbar leaped twenty feet eight inches in the broad jump to take a first in that event. In the relay Ryan, Deuter, Finnegan, and Dunbar covered the distance far ahead of competition.

In their last meet of the season the trackmen hung up an 87 2-3 to 43 1-3 victory over Loyola. It was a fine afternoon for the Techawks as they visited Loyola and piled up points in every event.
