

Of the fifteen events, Armour succeeded in making a clean sweep of three, and placed two men in each of the remaining events, five of these latter being one-two. Dunbar came home with top honors of 15¼ points to add to his total for the season. Bingham was right behind him with places in three events for a total of 11¼ points. Captain Faust also contributed plentifully toward the scoring with his pair of firsts in the mile and two mile runs. The quarter-mile run saw a clean sweep for Armour as Ryan, Ewing, and Widell finished in that order. In the low hurdles Nurnberger, of Loyola, won with Dunbar and Rothenberg right on his heels. When the high hurdles came along Rothenberg put on the pressure to win the event going away. Bingham and Dunbar came in in that order in the century also going away from their closest competitors. In the half-mile run Finnegan and Deuter paced it out to take one-two over Toomin of Loyola. Dunbar had no trouble in taking the 220-yard dash and Ryan lost a very close decision for second in the same event. The two mile run was another clean sweep for Armour as Faust, Opila, and Ewing finished in that

order. This made two consecutive meets in which the Techawks scored clean sweeps in this event. Vandekieft scored another victory for Armour when his heave took first place in the shot put. The high jump was a victory for Loyola without much serious competition as Looney, of Loyola, cleared the bar at five feet eleven inches. Knoll, of Loyola, took first in the pole vault and left a three way tie for second between Dixon and Parker of Armour and Looney of Loyola. The best that Stehman could do in the javelin was to get a second after Calahan, of Loyola, had tossed it 145 feet. Murray, of Loyola, tossed the discus far enough to put Vandekieft's and Stehman's throws second and third respectively. The broad jump again saw Bingham hover around the twenty-one foot mark. His jump of 20 feet 10½ inches led the way for a clean sweep of this event by Armour. Dunbar took second and Simeon took third in this event. The half-mile relay team of Ryan, Rothenberg, Bingham, and Dunbar turned on the heat and came in far out in front and succeeded in tying the record of 1:37.4 for the half-mile relay.
