For their first victory of the year, the Armour Swimmers defeated North Central at Naperville, by a score of 34-22. With North Central leading 32-27, it was the last event, the relay, which spelled success to the Tech mermen. Adding to the excitement of the meet was the fact that two pool records were broken. In the 200 yard free style, Captain Dodge showed fine form in leading the field in 2:26.1, for a new record. The other record was broken by Henning of North Central, who bettered the old 100 yard backstroke by some seconds when he touched the edge in 1:06.4. North Central took an early lead by winning the opening event, the 150 yard medley. It was in this event that Henning showed his potential speed by giving North Central almost a half length lead. However, Tech came back with a first in the 220 yard free style, with Dodge breaking the pool record. Because of the intercollegiate rule of three events per man the Naperville squad was a man shy for the relay. However, the football captain was persuaded to don a swimming suit in an effort to preserve the slim lead of 32-27, which they held at this point. With a lead of a length Downing flashed in to win the meet for Armour by 34-32.

By the narrow margin of one point, the squad submerged South Side Junior College, 38-37, to take their second win. The meet was clinched with the winning of the 120 yard medley. With Winblad swimming the back stroke of the medley, the South Siders succumbed to an early lead in this event and were beaten by almost half a length. Opening the meet, the South Side swimmers won the 160 yard relay in the time of 1:23.8. Dodge then went out to even up the score by winning the 220 free style in 2:43.3. Winblad ably filled up the vacancy in the backstroke division by carrying off first place in the 100 yard event; hurried by his teammate, Svagdis, he finished in the nice time of 1:19.6. The South Side divers then took advantage of the only noticeable weakness on the Armour squad, and captured both first and second in that event. This put the home natators in the lead by two points, but the Techawk tanksters went to win the meet by winning the medley.

Breaking three pool records, a strong DePauw tank squad defeated Armour Tech, 59-25, at Greencastle in the Tech tanksters' first long trip from home. The three new DePauw records were made by Salisbury in the 60 yard free style, Keiger in the 150 yard backstroke, and the DePauw relay men in the 440 yard event. Thrills and chills were evidenced by the spectators in the 300 yard medley. Although this was more than twice the distance usually traversed by the Armour team the finish
