

# TRACK '38

Coach Root

jump record, and either he or Vandekieft should top this mark in the '39 season.

Worthy of mention is the commendable showing made at the Illinois Relays. The two-mile relay team of Ryan, Deuter, Finnegan, and Platz placed third in the college event, and against competition that "am" competition. Again in the relays, Armour took a fourth when the medley team of Dunbar, Deuter, Finnegan, and Platz scored. Looking at it from all angles, it was a very satisfying season, and Coach Norm Root deserves congratulations for whipping together such a fine bunch of athletes.

In the opening meet with Beloit on April 16, Armour had a slight edge on firsts, taking seven, as compared to the Goldmen's six. It was the seconds and thirds that clinched the meet for our Cinder men.

Taking away every first place available, the Techmen handed Elmhurst a 109-22 trouncing in the second meet.

The only meet held on Ogden field gave Armour her third victory, as Wright bowed down before a  $90\frac{1}{2}$ - $35\frac{1}{2}$  onslaught.

The defeat, 66-65, at the hands of Illinois Wesleyan, was a heart-breaker. The tracksters swept into the lead with first and seconds in the shot-put, pole vault and broad jump, only to have Wesleyan pull up to a 61-61 tie with the javelin throw, the only remaining event. Pilkis of Wesleyan threw the spear 155 feet to Clark's 148 to give Wesleyan their 1 point edge.

"Hank" cheers the boys on
