Captain Dodge

The conclusion of the Tech swimming season found the tankmen on the top side of a 7-5 meet record. This proved to be a great improvement over last season when the Techmen were on the short end of a 7-5 meet record. An even greater improvement is forecast for next year, what with the loss of only one man through graduation, and the possibilities always offered by incoming freshmen. Earl Anderson, captain-elect for the coming year, with the aid of Coach McGillivray should be able to whip a fine team into shape with the material that will be on hand. The team was materially strengthened by the contribution of Talcott, Huxhold, and Rademacher from the freshman class. Teams come and teams go but Dodge stays on to win consistently for Armour in his specialty, the
