THE SENIOR DANCE

The new Student Union was formally initiated to the Techawk social life with the seniors' dance, "The First Nighter," on December 10, 1938.

The evening of dancing and gayety was in perfect accord with the individual style of music supplied by Charlie Gaylord's Orchestra. His soft music was audible throughout the building, thus furnishing the couples, resting in the smartly furnished student lounge, or partaking of refreshments in the lunchroom, with a most enjoyable atmosphere.

Anderson, Chapman, Collier, Moculeski, Mitchell, Kotal, Footlik.
