

THE INTERFRATERNITY FORMAL

Dodge
DeMent
Collier

The social fraternities of Armour Tech selected the evening of January 28 to hold their annual Interfraternity Formal. The committee selected the Columbia Yacht Club, on Chicago's lake front, as the most desirable spot for this affair. Music for this unusual affair was furnished by Pierson Thal and his orchestra, whose "rippling rhythms" blended well with the Lake Michigan atmosphere.

Dodge, Collier, and guests.
