

With the
"Pi Kaps"

Beta Chapter of Beta Psi was chartered at Armour Institute in 1924. Until 1935 Beta Psi was an influential fraternity on the Armour Campus. In that year the organization was absorbed by the national Pi Kappa Phi Fraternity, after the two fraternities had agreed that their individual ideals were similar. Thus, on May 5, 1935, Alpha Phi Chapter of Pi Kappa Phi took the place of Beta Chapter of Beta Psi.
