## THE FRESHMAN TEAM

After getting off to a slow start, the Frosh basketball team suddenly found itself and proceeded to defeat Elmhurst and Chicago Teachers to end the season with a .500 record. By whipping Chicago Teachers 17-16 the '43 quintet avenged an earlier defeat at the hands of the Colonels. The other loss was to a strong Cardinal five at North Central. A wealth of good material was found in the freshman squad, and from this group Coach Bill O'Brien molded a winning combination that put the varsity on its toes and defeated company "D" 60-15 in the season's finale.
